The sun-drenched island of Phuket offers a myriad of beaches to enjoy. But none as idyllic and as peaceful as the Kata Noi Beach and the small, unpretentious hide-away of the Mountain Beach Resort. The hotel offers 33 airconditioned guest rooms and a charming all-day restaurant with superb Thai and international cuisine.

Relax on Phuket's finest beach, and soak up some of Thailand's famous rays; take a scuba diving or fishing trip to offshore tropical islands or explore the many beaches and cultural attractions that Phuket offers by jeep

or bike. Try your hand at sailing, water-skiing, parasailing and bungee-jumping. Or explore the exciting nightlife of Patong Beach with its many bars, restaurants and discotheques. Whatever you choose, there's a host of fun and activities waiting for you in Phuket and warm smiles and friendly Thai service awaiting you at the Mountain Beach Resort.
